- Any student who endangers others' safety, or his or her own, will be dismissed from the laboratory.
- No eating, drinking, or smoking is permitted in the laboratory.
- Only authorized experiments may be performed.
- Equipment should be performed only for its intended purpose.
- Do not invite anyone into the lab.
- Keep your work space clean and tidy.
- When lab work is completed, all materials must be returned to their proper places.

Attendance

- The total grade of the students' attendance is 100 degrees. Each student is required to fulfill at least 100 degrees to be able to continue the lecture.

The attendance is computed according to the following rules:

Labs Attendance

- Attending Labs is an integral part of student’s course.
- Students are expected to be present for all classes in which they are enrolled.
- If you arrive to a lab late (more than 10 min), your entrance is not allowed.
- The lecturer has the right to refuse your entrance if you arrive late.
- Attendance will be checked at the beginning of laboratory.

Permissions

- In case of illness, accidents, or emergencies the student should make direct contact with laboratory assistant.
- If the assistant excused the absence, they must either provide the student with an opportunity to make up for the exam or any other work missed or provide a satisfactory alternative that should be completed after all laboratory sections.
- The assistant is under no obligation to provide an opportunity for the student to make up for any work missed because of an unexcused absence.

I accepting these rules written above for secure safety of mine and other students.
